Фергана, Узбекистан

At the entrance to Fergana from Margelan (R-112), at Bahor (Spring) street there is "Vostok" («Восток») café. The building is inscribed harmoniously into suburban landscape and the most notable reference point is Bald Cypress. This conifer with spread bright purple crown is a unique 15-meters (45 feet) height the only tree in whole Uzbekistan.

«Vostok» means «East», that's why the interior of this restaurant in Fergana is decorated in the oriental style according to the motives of «1001 night». «Vostok» café admits about 100 of guests. You will be offered to choose a table in the roomy hall or to occupy one of cozy cabins with different interior.

Various menu will surprise the gourmands of the Eastern and European cuisine though the master dish is a beef roll with a wide range of stuffing.

"Sado" national musical ensemble will fill the room with its pleasant melodies. Professional tandem of DJ and MC will entertain the audience. Popular international music will stir you up to dance while MC will start his night program with different surprises and competitions.

«Vostok» cafe in Fergana invites you to taste delicious food and enjoy the pleasant evening.
